It was very nice to get your April 13,
letter (the day after I had sent
1916.

Off mine!) & to hear of your good
times. I arrived here Tuesday & may leave
on Sat. for Phila., Byrnes name, N. Y., and
all points west; or I may go out to Boston.
Yesterday I made a pilgrimage ^{BA} ^{any} down
town to this - to me - hallowed spot - The
monument is simple & just ^{to the} ^{place} - The
little enclosure is neatly kept ^{to the} ^{place} - it
pleated with myrtle & in my new book ⁱⁿ ^{the} ^{U.S.P.W.}
